Lisa – Attached are responses to the WSJ's questions. Bill Murray, Richard Sisk and Aaron Urdiales provided comments on my original draft. Let me know if you have questions on the responses. Thanks.

Paula/Aaron – can you take a look at these? I understand both Laura and Steve are in Durango and Andrea is out of the country. Sandy said to loop you in as well as Aaron. Let me know your thoughts on getting these answered.

I think Steve Wharton (possibly Paula Schmitt diel and Liz Fagan) is key in answering these questions. - lw

Sandy – not sure if you 3 are the right people to help me on this one so please forward to others. Can we try to get these answered by noon possibly? Let me know if I can help usher it through.
